Attn: Principal / PE Panel,

Dear Sir / Madam,

### Application for “Indoor Rowing for School Programme” for the Year 2017-2018

On behalf of the Hong Kong, China Rowing Association (HKCRA), I am pleased to invite your application for the “Indoor Rowing for Schools Programme (INRSP)” in the coming academic year. As supported by the “Sir David Trench Fund for Recreation” of the Home Affairs Bureau, the HKCRA is able to lend the indoor rowing machines to schools for indoor rowing development.

Indoor rowing is growing in popularity in schools and is one of the inter-schools events. The launching of the INRSP supports schools in this development and encourages the schools to incorporate the sport of indoor rowing in Physical Education lessons in order to provide a wide variety of attractive indoor rowing activities in schools for their students and teachers. With the overwhelming support from the participated schools in past few years, the INRSP has been widely participated by the secondary schools in Hong Kong.

You may wish to refer to the attached Programme details for further information. If your school is interested to apply for this Programme, please complete the attached application form and return by e-mail to [kata.c@rowing.org.hk](mailto:kata.c@rowing.org.hk) **on or before 23 June 2017 (Fri)**. Successful schools **MUST** send responsible school teacher/s to attend the "2017-2018 School Indoor Rowing Programme – Indoor Rowing Workshop" which will be held in September or October 2017 with details to be given later.

Should you have any questions, please do not hesitate to contact our Sports Executive, Ms. Kata CHAN at 2699-7271 or via the above e-mail.

Thank you for your attention and your support to the sport of indoor rowing is deeply appreciated.

Yours sincerely

  
Annie Lam  
Executive Director
